```

The diagram consists of two rectangular boxes. The top box is light gray and contains the text 'src/expmax/EMCustomOptimization.h++'. The bottom box is white and contains the text 'src/expmax/ProbabilisticClustering.c++'. A straight blue arrow points from the top edge of the bottom box to the bottom edge of the top box. Additionally, a curved blue arrow on the right side of the top box points back to itself, indicating a self-dependency.
